## Amari: The colours and rhythms of modern Asian hospitality

Awaken to the sun's first rays breaking over a centuries-old mountain city at dawn. Feel the sand under your feet as the Andaman tide gently rolls in. Bask in the warmth of a smile waiting behind an open door, or the taste of a local dish prepared to perfection. Watch as a tropical island landscape unfolds in full colour. Listen to the pulse of an urban heartbeat that energises the night.

## Pattaya in new shades

Welcome to beachfront living in the heart of North Pattaya, one of Thailand's most well-known seaside holiday hotspots. Amari Orchid Pattaya offers the perfect setting for an idyllic seaside escape as well as a gateway to all the best that Pattaya has to offer. Just a relaxing stroll to the beach, the Ocean Tower soars 19 storeys into the sky, offering contemporary rooms and suites amidst an all-encompassing view of glittering Pattaya Bay. Walk through the surrounding landscaped gardens housing two swimming pools and arrive at the resort-style Garden Wing, where a backdrop of lush tropical green surrounds you at every turn.

The extensive meeting and banqueting facilities will turn corporate events into inspiring gatherings where the ideas are as fresh as the seaside air. Dining is a journey for the eyes and ears as well as the palate. Sample the latest culinary creations from the world's signature cuisines or simply order your favourite drink and watch the world go by from one of the best spots on Pattaya beach.

## Classic tropical seaside living

The Garden Wing puts you within strolling distance of the sea and Pattaya Beach. Upon entering the lobby, you will immediately feel refreshed by the sight of a landscaped lotus pond and garden courtyard abounding with colourful blossoms. A shaded walkway leads through a garden of exotic flowers and greenery before ending at the entrance to each guest room, all outfitted in modern Asian style, creating a bright, airy atmosphere in every room. Some Deluxe Rooms and Suites come with a spacious balcony adding an extra option for al fresco relaxation, while all rooms look out to either garden or pool views.

## Blue as far as the eye can see

Start each day surrounded in a symphony of sea and sky. The soaring Ocean Tower boasts 295 rooms and suites fashioned in contemporary Asian style, a neutral-coloured interior punctuated with splashes of red, dark wood and glass. All feature an open-plan design, with walk-in bathrooms, panoramic windows and balconies overlooking scenic views of Pattaya Bay or the landscaped gardens below.

Occupying the top three floors, the Executive rooms and suites provide additional business services and amenities as well as access to the luxurious Horizon Club.

Drink up your favourite of our mixologists' creations in the Opium Den. Then, whether seated in the Main Theatre, Sultan's Table or Opera Seats, simply order your dishes and go with the flow.

Or, just lose yourself in the rhythm of the day and your favourite cocktail at ICE and let the evening drift into a night that is anything but ordinary.

## Onshore and offshore explorations

Watersports enthusiasts will find North Pattaya's animated beachfronts to be a vibrant playground all year-round. Explore the fun offshore or bask in the comfort of the hotel's luscious green surrounds. The two outdoor pools, each with its own Jacuzzi and one with a swim-up bar, offer a refreshing break from the heat. Options for local area adventures range from golfing to horseback riding to go-kart racing, or exploring some of the islands that lie offshore in Pattaya Bay.

## breeze
